

# DOUBLE YOUR PRODUCTIVITY WITH SHARP SCAN<sup>2</sup>™ TECHNOLOGY

Your organization needs printers and copiers that increase efficiency and productivity. Sharp's multifunction printers (MFPs) with Scan<sup>2</sup> technology scan two-sided documents in a single pass – effectively DOUBLING your productivity. Scan<sup>2</sup> technology offers many timesaving features:

## FAST COPYING & PRINTING

- Quickly scan both sides of the document in one pass, saving time at the machine.
- Avoid delays and damage from original misfeeds, since originals travel through the machine only once.
- Copy and print simultaneously over the network with standard tandem copy/print capability.

## EASY DIGITAL DISTRIBUTION: SCAN TO EMAIL AND DESKTOP

- Quickly and securely email documents from the control panel.
- Link to a network email address book and virtually eliminate manual address entry.
- Manage, search, and index files from your desktop with Sharpdesk® software.

## POWERFUL FILING AND ARCHIVING

- Store up to 20,000 pages on the MFP hard drive in password-protected folders.
- Search folders securely from the control panel.
- Couple with Sharp OSA®-embedded applications for easy organization, indexing, and retrieval.
